HAZMAT/DOT AUDIT REFRESHER TRAINING

Table with 4 columns: WHEN, WHERE, COST, and details for three dates: August 6, August 13, and August 20. Includes location, time, and registration fee information.

Could you survive a DOT audit? Are all of your employees up-to-date on their hazardous materials training to satisfy the U.S. Department of Transportation’s requirements? Get the training you need from WPGA!

WHO NEEDS THE TRAINING? Any employee that directly affects hazardous materials transportation safety, including everyone in your office that: (1) Loads, unloads, or handles hazardous materials; (2) Manufactures, tests, reconditions, or repairs, modifies, marks, or otherwise represents containers, drums, or packages as qualified for use in the transportation of hazardous materials; (3) Prepares hazardous materials for transportation; (4) Is responsible for safety of transporting hazardous materials; or (5) Operates a vehicle used to transport hazardous materials.

WHAT DOES THE TRAINING INCLUDE? (1) General properties of propane; (2) How to load/unload propane and maintain shipping papers; (3) How to respond to emergencies; (4) Keeping your vehicle and facility safe; and (5) Maintaining records and files for DOT audits.

Initial training for a new employee or an employee that changes job functions must be completed within 90 days after employment or a change in job function. Refresher training is required at least once every three years. Each participant will receive a certificate of participation to satisfy the DOT’s recordkeeping requirements.
