

Dear Friends,

It is our pleasure to invite you to attend the 2019 Western Propane Gas Association Chairman's Board Meeting, which will be held July 31 – August 2 at Snow King Resort in beautiful Jackson Hole, Wyoming. As is tradition with this meeting, we mix our industry and association business with an opportunity to renew acquaintances and make new friends.

This year we have an enhanced schedule with the addition of the PERC "Can Do" Marketer's Training taking place Wednesday morning. Interested participants may want to arrive the evening of July 30th to take advantage of this sought-after training. Then WPGA will begin our events with a welcome reception at the hotel on July 31. Guests will convene at the Fireside Room for conversations with industry friends over cocktails and hors d'oeuvres in a well-appointed room with ambience befitting the western locale.

On Thursday, the association will hold our Board meeting. Later that evening, join us at 5:30 p.m. at the Snow King's Grand Lawn for dinner under the stars. There you will experience the modern mountain cuisine that is locally sourced and always delectable.

On Friday, we are offering two activities. Join us for a guided safari van tour of the Teton Mountains. You'll explore the pristine terrain while you encounter the flora and fauna unique to the area. Or, you can choose to hop in the saddle and experience the beauty of the Wyoming trails via horseback. A guide will lead you through the lush landscape with wildlife discoveries abound.

Special room rates of \$299 plus a resort fee of \$30 (includes parking and internet access) and tax have been secured at the Snow King Resort for our guests. To make reservations, call (1-800-522-5464) and ask for the *Western Propane Summer Board Meeting Rate* or visit the following link to make your reservation online.
