

Save the Date!
Western Propane Trade Show & Convention
Moved to August 2021!

The co-sponsoring associations of the Western Propane Trade Show & Convention are delighted to host an in-person event, August 11-13, 2021 in Reno, Nevada!

The Western Propane Trade Show and Convention will resume in 2021! With the promise of a vaccine, and a sincere desire to safely assemble one of the biggest propane show in the U.S., this year's event will take place August 11-13 in Reno, Nevada, instead of May. More information including how to register, book hotels, sponsorship and exhibitor opportunities will be available in the coming months. Please be patient as staff works with stakeholders to review new safety protocols and provide guidance as needed. We look forward to an engaging conference, filled with educational and networking opportunities.

For now, mark your calendar and make sure to pencil in August 10th for the WPGA Board meeting in Reno which precedes the event. Should you have questions regarding the 2021 Western Propane Trade Show & Convention, please don't hesitate to contact Summer Leon at info@westernpga.org.
